DEDICATION

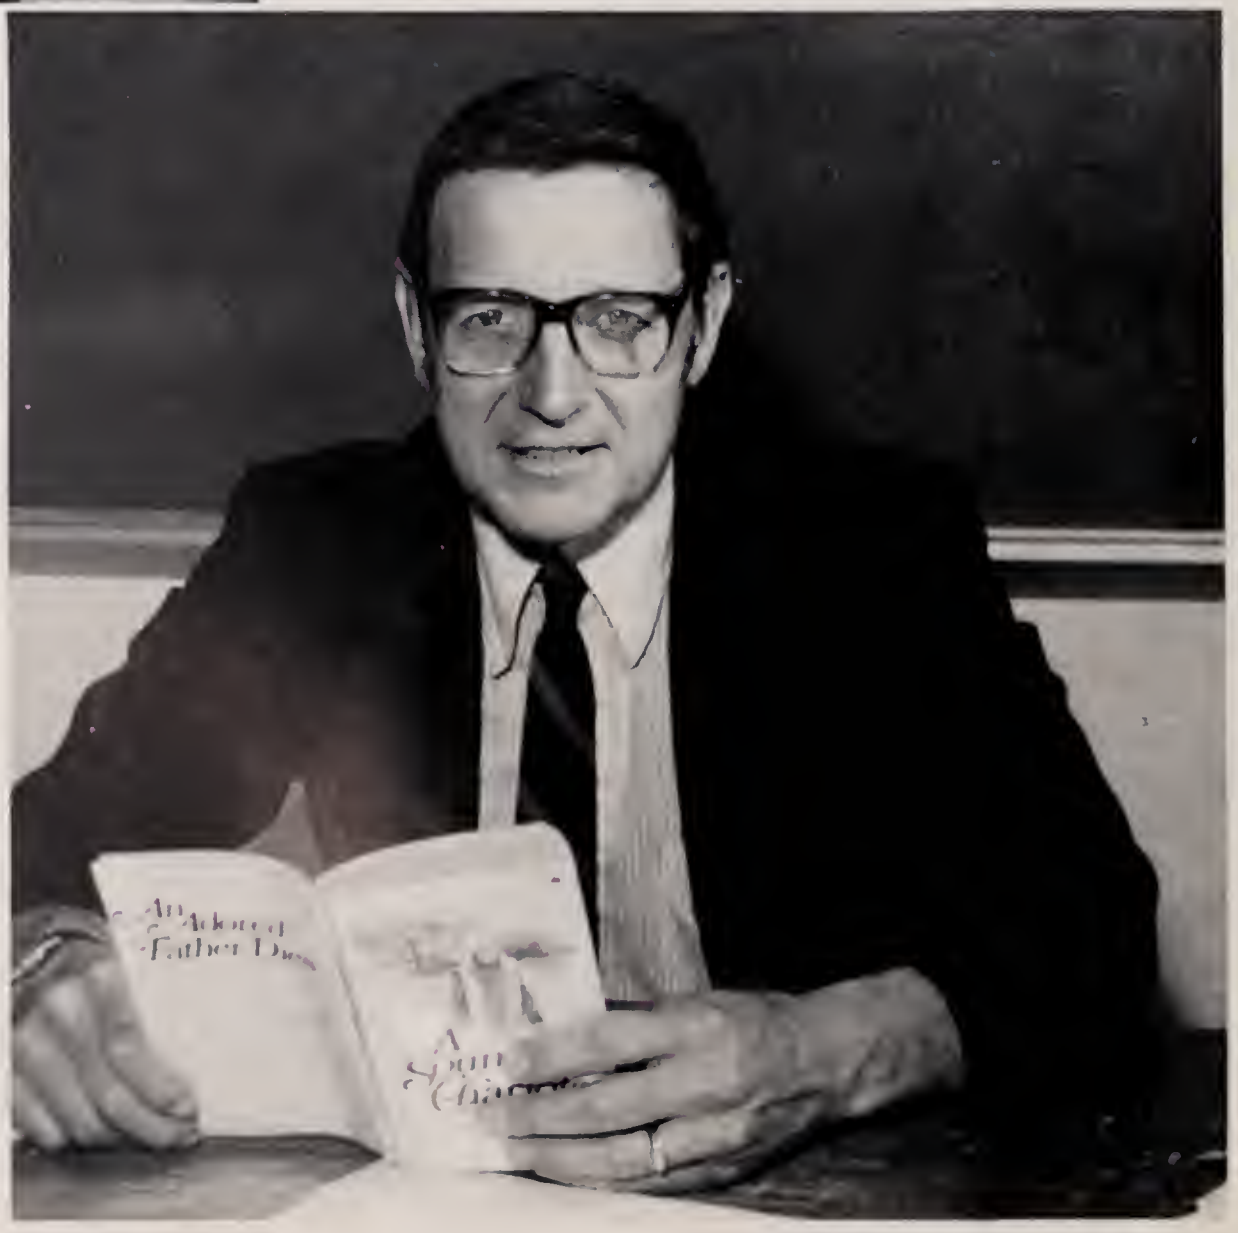
WALLY BEEVERS

There is one man who always has a smile, a hello for everyone and who can make even a cockroach feel loveable. We see him in the morning with coffee and bagel in hand, in the hall with his briefcase, in the classroom with his pounding fist against the blackboard, and in the cafeteria during lunch time as one of the few brave teachers who dares eat with us rambunctious students. Although he has only been in the high-school for two years we have known him since eighth grade. Sure, we pity the deprived youngsters at the Junior High, but we are glad he joined us during our last years at Weston High School. Not only has his spirit uplifted the school, but his teaching has encouraged students to learn and enjoy it all the while. We, the Class of 1981, dedicate our yearbook to you, Mr. Beevers, for being one heck of a great guy.

SPECIAL RECOGNITION

Dick, what can we say? You are a friend to everyone. You have taught us the real meaning of caring by showing involvement, enthusiasm, and support in our school activities. You continually cheer all the games, plaster your bus with pictures and articles and take a sincere interest in us as individuals. Thanks for all your smiles, laughs and cookies!! Dick Fanning, we'll **never** forget you!

The first word for today is . . . thanks! We are thanking you for your corny jokes, illegible scribbles, mandatory moments of silence, unique paper topics, but most of all, for letting us get to know a man of greatness. You're a man with intellect, wit and one whom many students respect. Sure, we may gripe a lot, but how can we dislike a man who wears Levis and teaches Shakespeare? Keep slugging away at those tennis balls, and remember, when kids bring you down, you have tons of fans out there!



Mr. Walker

SENIOR CLASS ADVISORS

The class of 1981 would like to thank Mrs. Schwartz and Mr. Blakeslee for their help and support throughout our four eventful years at Weston High School. From the first car wash freshman year to the outstanding prom of 1980, and finally graduation (can you believe it?) you have always been there, ready, willing, and able to help us in good times and bad. We weren't too sure about two science buffs, but in our book you're alright. For everything you've done as advisors and as friends, Thank You!.

We meet again sixteen years later —
I invite you in for some wine
you say it's too early in the day.
As I pour myself a glass of wine
I smell your lemony cosmetics
and you study my jeans and dirty toes.
I clear away my stray papers
so we can sit and talk a while.
You're married, 3 kids, 2 cars and a large house.
I'm single, 1 dog, 2 unpublished manuscripts.
You say you have too many things to do at once,
I say I am disgusted with the human race.
Then we laugh — Even in high school we knew

and nothing really has changed after all these years, has it?

Early Graduate

A yearbook should do more than just reflect the school it is from. To complete our "future memories" it is necessary to reflect society and what has happened in it, in addition to our school. With this in mind, we (the editors) have scattered a few pages through the book dedicated to the "outside world." This page is a recap of the most important news stories since our freshman year (1977) through the present (1981).

During our first high school years, Son of Sam stalked New York City. After having shot and killed more than a dozen young women, David Berkowitz was arrested, and is presently serving a 315 year sentence for his crimes. In Guyana, Jim Jones and his entire People's Temple committed mass suicide. More than 900 men, women, and children drank Koolaid with cyanide and lay down to die. Around this time period, the King Tut exhibit was touring the States. Tutmania was everywhere, even in Steve Martin's comedy routine.

During the summer of 1978, Pope Paul VI died. His successor, Pope John Paul I, died thirty-three days after he took the office. After considerable deliberation and speculation, the first non-Italian Pope in hundreds of years was selected, John Paul II of Poland.

The most important news story of 1979 was the take over of the American Embassy in Teheran, Iran. For over four hundred days over fifty Americans were held hostage by a group of militants — some physically and/or psychologically hurt.

In October of 1979, the Pope visited Boston. His mass on the Common was attended by hundreds of thousands who stood in the pouring rain for hours.

1980 saw Ronald Reagan defeat Jimmy Carter for the Presidency, making him the fortieth president of our country. On May 18, about 100 miles south of Seattle, Washington, Mt. St. Helens erupted, the first of a series of eruptions. The summer Olympics in Moscow were shadowed by a boycott of the games by the United States and a half dozen or so other countries. This and a grain embargo was Jimmy Carter's way of expressing his displeasure at the Soviet Union's invasion of Afghanistan.

In December of 1980, John Lennon, song writer for the Beatles, was assassinated on the steps of his Manhattan apartment house. Radio stations played his music continuously, there were vigils the following evenings in every major city across the country, and his album Double Fantasy, released just before his death, became the number one hit across the country.

Senioritis is:

- Filling up your schedule with home ec classes
- Breaking out in hives over your SAT scores.
- Having to listen to prospective employers drone on about the decadence of youth.
- Trying to memorize your social security number.
- Getting the uncontrollable urge to see what the vice-principal's office looks like.
- Sending out graduation announcements to great-aunts and other relatives you've never even met (and hoping for presents).
- Wearing a graduation gown that drags on the floor because the class secretary put you down as six foot two.
- Standing on the threshold of adulthood—and not at all sure you want to be there.

Dear
Joe, Jo, how does it feel to be a senior? Junior year is over! For me this year has been very long and I'm glad that it's finally over. I'll miss your hello's and secretive but meaningless remarks but I hope that your summer will be really good! Next year is going to be excellent, I know you'll do a good job as Pres. because I think that you are a pretty capable person. You've got a great sense of humor and you are fun to kid around with!
See you in the fall. Love Christine

ANOTHER ONE BITES THE DUST!

This year, the football team finished the last game with a 7-0-2 record. Having switched leagues, the Wildcats went on to have a surprising season, which pleased the spectators as well as the team. The Captains, Brook Parker and Peter Noonan, lead the team with determination. They should be congratulated for their efforts, sportsmanship and dedication. In 1980, all of this showed.

LOOK OUT, ANOTHER WINNING TEAM!

The team developed into a strong, well disciplined group of hockey players. Coach Healey commented, "They progressed as the season progressed." Coming back from a not so great past record at the Jr. High, the freshmen now hold the record, 12-2-1. Top scorer and new freshman record holder is Missy Pan, with a tally of 11.

WESTON FIELD HOCKEY . . . AWESOME!!

Again this year, the Field Hockey team proved their ability and sportsmanship by ending the season undefeated. They gained the Dual County League title and went on to win the state championship. The team's top scorer's were Cindy Healey, Sheila O'Hara and Alison Jacoby. The defense was unbeatable with Andrea Muccini, Liz Noble, Lindsay Tompkins, Pam Melone, and, of course, the goalie, Debby Rowe. The whole team worked together to be the State Champs. "Do you want it? Yes! Can we do it? YES!" They did it, and no other team was more deserving. What can you say about a team that has skill, spirit, determination and dedication? They are number one!

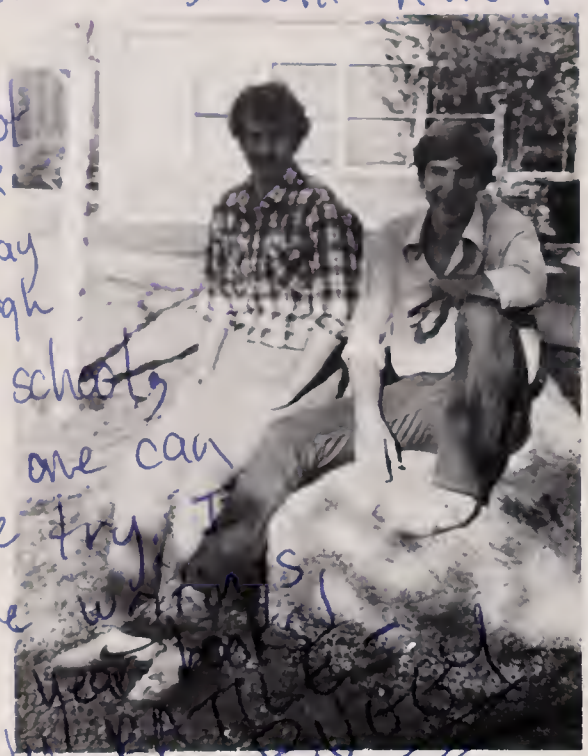
CURLY - Nice life, hair, jokes, etc. Outside of being A-W-some you're a loser. Only Miler ever to default because he couldn't sing. Nice PBA we had, huh? The "Irish Mist" will have to wait another year to strike. Unfortunately,

one can not drink his way through high schools but one can sure try. I hate watching in CHUM PATTERSON



SOCCER: A KICK IN THE GRASS

The Varsity soccer team had a year filled with disappointments and frustrations. Generally, though, they played quality soccer. Injuries contributed to the low scores, which misrepresented the abilities of the team. This year the team gained valuable experience essential for their future victory next year. It's not in what you win, but how you go about achieving it. We look forward to successful season next year, with our star Joe Kerwin.

IT DOESN'T MATTER IF YOU WIN OR LOSE, IT'S HOW YOU PLAY THE GAME.

Although this team did not have a winning season, they were successful in other ways. Some words to describe the Girls Soccer Team are devoted, skilled, eager and good-spirited. The tri-captains, Cathy Gee, Janet Howard and Maura Nyhan, kept the team going; their attitude made up for the losses. They never gave up, but kept on giving their best to the game, and that is a major part of a good team.

KEEP ON RUNNING!

The girls Cross-Country team did remarkably well, especially considering this season was the first to have a girls Cross-Country squad. Led by Kim Long and Ellen Kamentsky, the girls ended the season with 3 wins and only 3 losses. Also, they did a great job in the All League Meet, coming in with second place. Special praise goes to Kim Long for breaking two records. The whole team did a great job and should be commended.

The boys Cross-Country team, led by Chip Barnes and Doug Linde, had a season of two wins, and four losses, but the team spirit made up for it. All runners seemed enthusiastic and did their part to represent Weston. All young men on the team should be proud of their fine effort.

WE TRULY BIT THE BULLET

The Girl's Indoor Track Team completed the 1980-81 season undefeated and as Dual County League Champs. The boy's team finished with a 5-2 record, third in the Dual County League. The girl's team was led by outstanding peformers Kim Long, Sue Goode, Liz Noble, Boo Lunt, Allison Kaplan, and Ellen Kamentsky. This strong contingent led Weston to a 4th place in the Girl's Class B State Meet.

The Boy's Team displayed continual improvement over the course of the season, both in the quality of their performance and the quality of their humor. They finished the season with a fine second place performance at the DCL All-League Meet, beating old rivals Lincoln and Acton, winning a special trophy in the process.

A FEW GOOD MEN SHOWED THE WAY

"A few good men," a U.S. Marins slogan, was the way in which Coach Baldanza described the 1980-81 Weston wrestling team. Led by Quad-Captains Jeff Ackley, Tom Healey, Dudley Harris, and Dan Davidson, the Wildcats ended their season with a .500 record. Due to a number of injuries, seven underclassmen stepped in to fill the slots. This allowed them to gain varsity experience which will benefit the team next year.

VARSITY, HERE WE COME!

Weston's 1980-81 boy's Junior Varsity Basketball Team experienced many ups and downs throughout the season, having a little trouble against some opposing teams. Nevertheless they benefited from many positive things. They worked hard on the basic fundamentals and took pride in the fact that every time they stepped on the court they were representing the school. Learning that all their hard work may not show up immediately on the score board, they feel confident that the new knowledge and skills that they have developed will pay off both on and off the court.

The Freshman basketball experience is one of learning and developing. The measure of growth in skills cannot always be measured by game scores, or the won-lost column, especially for the 80-81 season. The players learned how to better their individual skills and to apply them to team play. In adjusting to their teammates, they each learned a little more about themselves.

VARSITY HOOPSTERS, BETTER LUCK NEXT YEAR!

The Varsity Basketball team compiled a 5-16 record for the season. The team led by Captains Peter Reilly, Alan Proctor, and Jeffrey Bruton, suffered through a season of many peaks and valleys, learning a lot about basketball. Jeffrey Burton, Alan Proctor, and Matthew Alston were selected by their teammates as the Outstanding Player, the Unsung Hero and the team's Most Valuable Player, respectively. Peter Reilly represented Weston in the Dual-County League All-Star game.

BASKETBALL GALS EAGER, SPIRITED, AND DEDICATED!

The Freshman Girls Basketball team had a fine season, boasting 8 wins and 3 losses. Their best attribute was their ability to work together as a team.

They handled a 1-3-1 zone defense with confidence and ease, and their give and go offense gave them the opportunity to be a high scoring team.

The high scorers for the team were Missy Pan with 106 pts., Sylvia Brown — 80 pts. and Margaret Grace with 65 pts. The defensive backboards were handled by Sonji Crowder, Emily Isaacs, and Tracey Danforth. Val Clark, Meredith Magie, Amy Coller, and Liz Knight handled the ball handling and play set-ups while Marion Robbins controlled the defensive boards.

The Girl's Junior Varsity Basketball Team played to a 5-10 overall record. The team made considerable improvement as the season progressed under the able leadership of Juniors Lisa Wyche and Rhona Gibson, and Sophomores Wendy Helm and Diane Leach.

WHAT'S THIS SUPPOSED TO BE?

ANYWAY WE'RE HISTORY!

GOODBYE

WESTON HIGH!

Joe:

How are your teeth? I hope well, it from the looks of it now. It looks (not to be reiterative) like your collecting acorns in your cheeks for the winter.

I hope you've had an excellent year, I've writ that same line in some word about 12 times now. In short Joe, I know this year sucked with footy and soccer this fall, the prom was so hot; even though I didn't go. Isn't it great being on an individual sober team this spring? Yeah, I think so.

Joe, I'll see you later,

FRANK
